Dear Mr. Marshall

I have read your website about the BDCP and am wondering how it is related to the Governor's Delta Vision Task Force. The task force seems to be recommending progress on all fronts, with a final report due later this year. Does the BDCP address the conservation part of the Governor's Task Force? Are they related in any way? Would they be funded as part of the same whole moneys, or is the BDCP entirely separate, and would be looking for separate funding.

I would appreciate if you could clarify these points. Thank you for any help you can give.
